## **Demi's Animal Rescue and Brekke Veterinary Clinic Team Up to Provide Services for Colorado Cats on June 24, 2017**

### ***Will Provide Free Spay/Neuter Surgeries and Vaccinations to Colorado Residents***

Denver (May 01, 2017) — Demi's Animal Rescue and Brekke Veterinary Clinic have teamed up to provide area residents with spay/neuter surgeries and vaccinations for their cats on June 24<sup>th</sup>, 2017. The services will be provided at Brekke Veterinary Clinic: 856 W Happy Canyon Rd #120, Castle Rock, CO 80108. All services will be provided free of charge and are open to any Colorado residents. A small cat food pantry will also be provided for those in need. The event will perform up to 50 spay/neuter surgeries and up to 75 vaccination services. Appointments are currently being accepted for those that are interested.

Cats must weigh at least two pounds. Appointments can be made for a spay/neuter and vaccinations, or just vaccinations. Proof of spay/neuter must be provided if scheduling for vaccinations only. \*\*\*To make an appointment, residents should call 303-945-1944 or email [Info@DemisAnimalRescue.com](mailto:Info@DemisAnimalRescue.com) . For more information, visit [www.DemisAnimalRescue.com](http://www.DemisAnimalRescue.com)

### **About DEMI'S ANIMAL RESCUE**

Demi Merritt founded the small, foster based rescue when she was 14-years-old. Seven years later, it has grown into an organization of 5 volunteer board members. Run on the love of an all-volunteer staff, our goal is to make our rescue feel like family for everyone who comes through. They focus on the mending of individual creatures, both physically and emotionally, then find the best matches for adoption. Specializing in the behavioral reconditioning of even the most difficult pets, once an animal reaches Demi's Animal Rescue, it only gets better from here.

### **About BREKKE VETERINARY CLINIC**

Brekke Veterinary Clinic is a personalized, family owned veterinary clinic. They specialize in the Animal-Human connection, and the unique bond created when humans commit to their pet's health and happiness. Brekke Veterinary Clinic provides full service small animal veterinary care including on-call emergency services. Their care team works with all aspects of veterinary health from vaccines to general surgery. Dr. Jay Brekke's extensive clinical experience has expanded his scope of care to include sporting dogs and working dogs. From dental procedures to the most in depth internal medicine cases, Brekke Veterinary Clinic has your pets covered.
