Denver, CO (April 1, 2018) — Demi's Animal Rescue was selected from over 2,128 nonprofit organizations from across the country to compete in Brackets For Good 2018. For the last four weeks, Demi's Animal Rescue has been rallying their supporters to help them advance in an online single-elimination March Madness bracket-style fundraising tournament with a grand prize of \$10,000. They have reached the Philanthropic Four round which ends on Tuesday and are ready for a big push into the Finals.

Demi's Animal Rescue is a small, foster based no-kill rescue. While Colorado animal adoptions are the main focus of the rescue, Demi's Animal Rescue believes in helping the community, as well as any animal that might be in need, regardless of location. For the last 3 years, Demi's Animal Rescue has hosted a free spay and neuter/vaccination clinic in conjunction with Colorado Coalition for the Homeless to provide services to the homeless community. They have also recently assisted with the vetting of life-threatening cases of 4 cats and dog in Thailand- where Demi recently spent several months serving the animal community there. Demi's Animal Rescue is excited to announce that these animals will be flying to Colorado at the end of this week.

By participating in Brackets for Good, Demi's Animal Rescue is raising much needed funds for the vet costs of the animals that come into their care. Last year 85 animals passed through the rescue and over \$17,000 in vet expenses were incurred. Every animal that comes through the rescue is spayed/neutered, microchipped, vaccinated and tested (heartworm test for dogs, FIV/FelV test for cats). Every animal also receives any additional vetting or surgery they may need to get them healthy and adoptable, regardless of cost. In the last three months, Demi's Animal Rescue accepted in two diabetic cats into their care – one flying in from California, as well as two extreme medical case cats.

Indianapolis-based Brackets For Good pairs with corporate and nonprofit sponsors to host online bracket-style fundraising tournaments in philanthropic communities around the United States. Brackets for Good has raised more than \$6.4 million for charitable nonprofits since its 2012 kick-off contest in Indianapolis.

Participating nonprofits rally enthusiastic donors to out-fundraise their opponents in order to advance. Through the excitement, localized marketing and corporate involvement, nonprofits earn increased exposure, gain access to free fundraising tools, and are introduced to new donors. Dollars from donors translate to points, giving participants the opportunity to advance in each markets' bracket. Competing nonprofits keep donations received during tournament play, no matter how many rounds they advance. The winning organization in each tournament receives an additional championship grant.
