## For Immediate Release

### Free Spay and Neuter For the Pet's of Denver's Homeless

DENVER -- On November 3rd from 7:30am to 5pm, at Colorado Coalition for the Homeless 3999 Colorado Boulevard Denver, CO 80205, Demi's Animal Rescue, Colorado Coalition for the Homeless and Brekke Veterinary Clinic will be providing free spay and neuter, vaccinations and pet food for the pet's of people facing homelessness. Pet Food will be provided by Colorado Pet Pantry free for pet owners to take.

It typically takes around 35 volunteers to make this event possible including veterinarians, veterinary techs, pet food volunteers, check in, and more.

This will be the third clinic that Demi's Animal Rescue has done with Colorado Coalition for the Homeless and their hope is to grow this event to serve more people and their pets. The only requirement that a pet owner needs to meet to utilize the services on Saturday, is they must be getting their pet spayed or neutered or provide proof that it has already been done. This ensures that progress is being made to improve pet homelessness in Denver.

With Brekke Veterinary Clinic's team we will be able to perform 30 spay and neuter surgeries and 50 vaccinations. We invite you to come view the work that is being done for Denver's Homeless Population and their pets. There are still currently spots open and if people would like to make an appointment they can do so by contacting Kaylee at 303-522-2856.
