ANIMAL RESCUE

## 2021 ANNUAL REPORT

**Demi's Animal Rescue** focuses on solving pet homelessness through adoption, spay/neuter and pet retention. We do not discriminate against any animal that is in need and open our door to all regardless of their breed, age or special care required. We strive to see the day that pet homelessness is eliminated worldwide. Once an animal reaches Demi's Animal Rescue...

# DEMI'S ANIMAL RESCUE CAT LODGE & THRIFT STORE OPENED AUGUST 2021

Demi's Animal Rescue Thrift Store and Cat Lodge was created to provide a safe space for high risk cats to be rehabilitated and given a platform to be highlighted to the public for adoption. We provide everyday, unique and vintage items for purchase to support our goal of reducing adult and senior cats entering Colorado shelters and lowering euthanasia rates.

Although we will continue to save ALL dogs and cats through our existing foster program, our adoption center (The Cat Lodge) is dedicated to housing specific groups of cats that we have identified as overlooked and in need. The adoption center consists of two free roaming cat rooms and focuses on providing a space for senior cats, bonded pairs, under socialized cats, black cats, FIV positive cats and more. These are cat populations that have high euthanasiation rates in shelters, are easily overlooked, or are not provided the opportunity they need to thrive in the shelter due to the stressful environment. Due to the nature of a free roaming space, we are not able to accommodate cats with highly contagious diseases or cat aggressive cats in the center, but will continue to try to provide for those cats in our foster program as we are able to.
